# Continua a giocare online su **PITAGORAS GAME** [www.oiler.education/pitagoras](http://www.oiler.education/pitagoras)

Nella pagina principale, seleziona  
la modalità somma e prodotto  
scegli poi la somma massima o le  
tabelline che vuoi che vuoi  
potenziare.

The screenshot shows the main interface of the PITAGORAS OILER game. At the top, the title "PITAGORAS" is displayed in large, colorful letters, with "OILER" underneath. To the right of the title are two circular icons: a question mark and a calculator icon. Below the title, the instruction "SCEGLI UNO O PIÙ TIPI DI DOMANDE" is followed by seven selectable options: a plus sign for "SOMMA", a multiplication sign for "PRODOTTO", a square with a dot for "QUADRATI", a square with a plus sign for "QUADRATI PLUS", a plus sign with a plus sign for "SOMMA PLUS", a multiplication sign with a plus sign for "PRODOTTO PLUS", and a multiplication sign with two plus signs for "PRODOTTO EXTRA". Below these options are two sections: "SOMMA MASSIMA" with buttons for 10, 20, 100, and 1000; and "SELEZIONA TABELLINE" with buttons for 2, 3, 4, 5, 6, 7, 8, 9, and 10, plus a "SELEZIONA TUTTO" button. At the bottom of these sections is the label "TEMPO A DISPOSIZIONE" with buttons for 2 min, 4 min, and 8 min. A large green "START" button is centered at the bottom of the interface.
